The Sales Call System

Everything after someone books a call, in order: a page that shows your proof, a person confirming within 5 minutes, a first call that finds the leak, a proposal within a day and a follow-up that ends in a decision.

The path

STEP	WHAT HAPPENS	THE RULE
1 Book	The book-a-call page: calendar, questions, case studies, proof	A "not yet" on budget never blocks the booking
2 Confirm	A person calls or messages to confirm	Within 5 minutes, between 08:00 and 20:00 their time
3 Call 1	Find the stage that leaks and what fixing it is worth	Promise honesty; answer only the objection raised
4 Proposal	Their words, the one stage to fix, what's not included	Within one business day, with the review call link
5 Call 2	Walk the proposal section by section and decide	Bring the person who signs off
6 Follow-up	Day 1 WhatsApp, day 3 proof email, day 7 one question	Then a person takes over; every lost deal gets a reason

Call 1, in order

1. **Open with honesty**
   "If this isn't a fit, I'll tell you straight."
2. **Walk five stages**
   Traffic, capture, show-up, conversion, follow-up. Stop where the drop is worst.
3. **Put a number on it**
   "If that one stage worked twice as well, what would that be worth to you a month?"
4. **Answer only the objection raised**
   Then ask one question back.

The confirmation

Write my confirmation call and WhatsApp

```
YOUR TASK
Write the confirmation call script and the WhatsApp fallback for a booked sales call.

THE FACTS TO USE
The call: [FILL: length, video link, who runs it]
What they should bring: [FILL]

RULES
- The call happens within 5 minutes of the booking, by a person, between 08:00 and 20:00 their time.
- Under 60 seconds. Confirm the time, ask them to bring whoever signs off, say how to move it.
- If they don't pick up: one short WhatsApp with the same three points.

WHAT TO RETURN
The call script, then the WhatsApp text.

CHECK BEFORE YOU ANSWER
No pitch, no pressure, no promise of a result.
```

The day 7 message

DAY 7 · WHATSAPP

Hi `{first_name}`, should I keep your proposal open, or is now not the right time? Either answer is fine. If you want to go through it, book here: `{review_call_link}`

Never

- [ ] Invent a deadline, a discount or a guarantee.
- [ ] Run the decision call without the person who signs off.
- [ ] Leave a booked call unconfirmed for hours.

The full booking page and the 7-day follow-up are their own templates: book-a-call-page and proposal-follow-up on the same site.
